

International Institute of Information Technology, Hyderabad

Digital Democracy and Data Governance in the EU (Spring 2025)

Quiz 1

Date- 30/01/2025

Max Time: 45 Minutes

Max Marks: 20

Instruction- Answer one of the following questions. (750 words)

Explain the significance of international data governance and identify key roadblocks to its implementation. Discuss how the dilemmas of a bottom-up vs. top-down approach and a member states-led vs. multi-stakeholder-led model influence the future of global data governance.

or

Discuss the key macro-level data governance approaches adopted by major global actors. How do meso-level approaches to data governance shape and influence the broader macro-level frameworks?"
